Some selected comments provided by the attendees are listed below:

Academia: "Enjoyed it thoroughly and was a very productive way to spend our time".

Government: "Thanks to Dr. Garg and other NASA people for their excellent efforts."

Industry: "This was one of the best conferences I have been to recently. Sanjay and his group are doing excellent, high quality work – a nice blend of theoretical and applied research."

"It was an extremely useful workshop in bringing the audience up to speed on what NASA was involved in the propulsion control and diagnostics research pursuit."
